

MASTERCLASS TROMBONE

LECTURER:

Prof. Henning Wiegräbe is professor for trombone at the Musikhochschule Stuttgart. Before accepting the call to the HMDK Stuttgart in 2006, he supervised the trombone classes at the conservatories in Saarbrücken and Basel. He gives master classes worldwide, from Paris and Moscow to South Africa and China. When accompanying his students, Henning Wiegräbe's fundamental goal is a well-founded diversity of training. The graduates of his class play with top international orchestras such as the Berlin Philharmonic or various radio orchestras, lead trombone classes at conservatories from Gothenburg to Leipzig to Beijing, give concerts with renowned original sound ensembles and big bands, teach at music schools, and are prize winners of international competitions.
