www.dunjarobotti.com

WHEN:

May 8th – 12th, 2027

The course starts on 8 May 2027 at 09:30 a.m.

Daily instruction from 09:30 a.m. to approx. 7:30 p.m.

Final concert on 12 May 2027 at 7:30 p.m.

CONTENT:

The masterclass is designed for young double bassists from around the world who are fascinated by this instrument and aspire to a professional career with the double bass. The course aims to improve technical aspects, musical interpretation of solo and chamber music repertoire, audition training, preparation for international competitions, and double bass ensembles.

The results of the course work will be presented in a final concert.

TARGET GROUP:

The course is intended for students and talented young individuals aiming for higher studies.

Please send an informative CV and at least one video recording as a streaming link (e.g. YouTube) with your application.
