Lecturer concert on 5. Mar 2025 at 7:30 p.m.
Final concert on 9. Mar 2025 at 11:00 a.m.

CONTENT: The masterclass is aimed at musicians who want to deepen their skills in this special chamber music form of jazz. The entire stylistic range of this genre from swing, bop, modal, Latin and Brazilian as well as 'open feeling' will be considered. Using songs from the Great American Songbook, jazz standards and the course participants own compositions, the trio will work on arrangements and interpretations. Individual instrumental lessons for piano, double bass and drums will take place in the mornings. In the afternoons, students will work in the respective piano trios under the guidance of the instructors. Selected audio examples and analyses of interpretations of pioneering jazz piano trios complete the course programme.

TARGET GROUP: Pianists, double bassists and percussionists who are studying or working, as well as in preparation for a degree programme and also ambitious amateurs with playing experience. Maximum of 15 participants.
