End on 28 Jan 2027 after lunch

Final concert on 27 Jan 2027 at 7.30 p.m.

CONTENTS:

"Making the Piano Sing"

Individual instrumental tuition focuses on developing the repertoire brought by the student, with particular emphasis on technical proficiency in the service of musical expression.

- Tone production and movement as the result of musical imagination and artistic intention
- Fundamental practice principles and effective practice strategies
- Guidance in performance preparation, including stage presence and mental training
- Information and advice on music degree programmes (Pre-College, Bachelor's and Master's) at the University of Music

Works from all musical periods may be studied during the course. Applicants are kindly requested to include a list of the works they wish to perform with their application.

"Healthy Musicianship" with Anja Freytag
